“ *To the Makowski Family,*

Im so sorry for your loss, Judy was my sons teacher at Miami back in 2003, and I did enjoy working with her as a room mom. She talked about her children to me, and how important it was to get a good education for them. She was passionate about it, and it was obvious how much she loved you. She is in a better place now, and Im sure she is very proud of you, and is sending her love to you from heaven.

May God be with you, and comfort you during this difficult time.

“ *I am a Red Hatter, and I was out of town. I didn't know Judy well, but I always liked her. She was a very sweet woman, and I regret that I didn't get to know her better. My prayers are with her and her family.*

“ *To Judy's Children, Siblings and Parents.
We will miss Judy at our Red Hat Events. She was always up for fun. Judy was an important part of our group. She always had a smile for you and would listen while you talked. She was very humble. She will be sadly missed. May God Bless you . Goodbye Dear Friend. See you at the Red Hat event in heaven. xxxooooxxx*

“ *Our thoughts and prayers are with all of you.
She was a wonderful person with saving faith in her savior, Jesus Christ. We will miss her here on earth, but look forward to the time we will all be together in heaven, where there is no more pain, for eternity.*
