“ *Judy and I became friends in junior high school and our paths always seemed to cross throughout life. We would plan to get together when she would come “home” to visit her family at the Jersey Shore. I sent her the pictures of the beach last year after her diagnosis knowing that she would not be able to come. I have to say she was so strong and kept a positive attitude, never feeling sorry for herself in spite of what she endured. I miss her and extend my deepest sympathy to you Bill, your son Billy and his wife, your grandchildren and all the Moncreif and Willenbrock family. Rest In Peace my dear dear friend.*

“ I'm pleased we had the opportunity to meet you, and I'm glad we were acquainted for a few years on Facebook. You were a light in dark places for many people. Such a kind woman, and a very sad loss. Our sincere condolences to Bill and all of Judy's loved ones. May you rest in our Heavenly Father's arms, until we are fortunate enough to meet again.

“ I had the privilege of getting acquainted with Judy when her son, Billy and my daughter, Brittany were in 5th and 6th grade together. Judy was kind and loved with her whole heart. She and I chaperoned a youth trip together and she scared me to death when I rode with her on that trip! She drove fast! I was blessed to share God's word with her when she was part of a small group I led. Judy loved to have fun and was a kind generous person. She was a blessing and will be missed deeply.
