“ We first became acquainted with Judy, several years ago, when we purchased our cottage next door. We could not ignore the straight forward personality; nor the contagious laugh. The eyes would light up, and the non-stop dissertation about “horse(s)” would begin. Judy’s enjoyment seemed to reach its pinnacle whenever this, her favorite subject, came up; which was often. I can honestly say, “I have never before met anyone who bought a house in order to be near a horse”; until meeting Judy. Also, we will never forget the time Judy told Ted that he could not bring one more thing into the house that had anything to do with: “Fins, Fur, or Feathers”. What a “hoot”! We could tell her family was her TOP priority, and her world!!! Her enthusiasm for her children and grandchildren was evident in everyday conversations. We are very saddened to hear of her passing.....She was a strong willed woman, and I hope her family carries the same strength in the days ahead, and takes comfort in the memories they have shared and made with her. Our endearing friendship, and memories with her, will forever remain precious to us. We will miss you Judy very much. Our deepest sympathy and prayers are with Ted, Chris, Suzan, Gary, Diane, and the immediate family during this difficult time. We are so sorry! God Bless! Denise Taft & Dennis Woody

“ My deepest sympathy for the Morand/Chila family. My thoughts and prayers are with you. Judy was such a wonderful woman. Whenever I saw her out at the horse barn in Ortonville she always had a smile on her face. I am so glad that I got to know such a great person. She will be dearly missed by all her barn family, but now she has to suffer no more. Rest in peace Judy.

Love,

“ Prayers with respect to the Morand Family. Judy, we will miss your warm smile that would light up the Word, and your walks down our driveway with your dog. May you find comfort in God's Hands.
