“ She always was smiling and happy at Burr when she worked there. We loved her as did the kids. She will surely be missed.

“ To the family of June Tallent:
I remember Mrs. Tallent from the old neighborhood on Bolam st. She was always nice to us kids. My sister Becky and I knew Sandra and Debra the best but remember the rest of your family too. My mother still lives there so I think of your family when I drive past your old house. With my deepest sympathy,
Cindy
