“ *I'm so sorry for your loss. I believe June was my Great Aunt, her brother Jack was my Grandfather. His daughter June Bobbish (Budzen) was my mom who passed away September 30, 2012. I remember my mom was always telling me that she was named for her Aunt June (and Aunt Celia). The funny part is as Great Aunt June got older, she was younger than my mom. I'm sadden to see the last of the Bobbish clan pass away. Please contact me via email as I'm trying to research my Grandfather Jack. janbudzen@gmail.com*
