“ *Justine was my little sister and her sudden death while caring for her beloved Mother still has us all stunned. She was a gentle soul who always tried to keep the peace and it wasn't easy. We had such plans for the future and I will remember you fondly as I hope to continue to find your pennys and travel to the places we planned to visit together instead of our usual birthday/Christmas gifts. Look down with love on all of us my beautiful Angel and one day soon I hope to see you again (I'm not "quite" the Angel you are - expecting you to help me up!!)*
