“ I've known Karen for about 47 years. When I first moved onto Fernleigh Dr. my second daughter was 3 months old and my oldest was 8. My oldest daughter went to school with Melissa, grade school through high school. She (Karen) was a kind hearted person, always friendly and ready to share a joke or two. She always left you with a good feeling. She will be truly missed as she used to wave from her car going who know where. Rest in peace, my friend.
