“ Karen held a special place in my life. Even though she wasn't my aunt by blood, I considered her an aunt because she was my mom's best friend and was in my life a lot more than most of my family. She did so many things for me, and I have some very fond memories of her that I will never forget. Some of my favorite memories was having her at all of my birthday parties and all of her help for my graduation party. Karen was a very important woman in my life, and I will cherish all of my times with her forever. Rest in peace Karen, you deserve it!

Love,
Jeff

“ Dear Kardos Family,
I'm so very sorry for your loss. Karen was for sure my angel on earth. Now she has her wings in heaven, and I am sure she is having the best time ever! I have so many fond memories that will always remain in my heart forever, but I think most of all would just being able to call Karen and have coffee any time, day or night. Another one would be listening to her tell about different things that happened in her life. She was always there even if I just needed her to hold my hand (LOL-that's something Karen would laugh at). She was for sure there for my family and me when I lost my mom and has been a very dear friend. She will forever be missed but will always remain in our hearts. Rest in peace Karen.

Love you forever and ever,
Angel and family
