“ *I just found out about Karen's passing. I am so sad to hear this. We used to work together many years ago. We became good friends, and times were fun..She stood up in my wedding, and I will cherish the photos and the good memories we made. Busy lives, work and the pandemic took over.
I will miss her; she was so nice.
Rest In Peace, Karen... Until we meet again.
Your friend,
Alison~❤️*

“ *My condolences to Karen's family in their time of grief. I worked with Karen for several years at Developmental Essential Services. During that time we became friends and I would call her from my home in Texas to wish her a Happy Birthday on March 25th. I will miss those phone calls.*

“ I have known Karen since 1981. Karen was always fun to be around and was never afraid to say what was on her mind. Lol! She will truly be missed by myself and everyone who had the pleasure to have known her.

“ I remember my cousin Karen as being a kind person with the biggest heart. She would listen without judgment, she would just truly listen. A rare and fine characteristic. My sincerest sympathy to Aunt Sylvia, Debbie and family. She was a very fine person and I will miss her. I will always think of her when I visit the local tarot card store filled with crystals. ❤️

“ *Karen was the absolute kindest person her entire life. We couldn't have been any closer growing up and stood up in each others weddings. We didn't stay as close later in life but kept in touch on FB. When my dad passed a couple years ago, I turned around to see her there for me. We talked and laughed and shared so many memories. Sending love to you Sylvia, Debbie, and the entire family. Rest in peace my friend and know you are loved by many!!*
