“ *My deepest and most heartfelt condolences to the entire Petty family upon the passing of your mother, grandmother, great-grandmother. Aunty Kay was a vibrant, loving, kind, caring and faith-filled woman, who filled our visits, time spent together, and phone calls with stories, old and new, of her large and loving family, recollections of my own parents and grandparents, her travels and adventures, days gone by, and just conversations on life in general that I miss terribly. Aunty Kay grew to be a dear friend, who had been in my life for as long as I can remember...I will always treasure her caring ways, her positive and faithful outlook, and her love for me and my family. No doubt she has passed the Pearly Gates, welcomed into God's Heavenly Kingdom and blessed with Eternal Rest and Peace.*
