

Kathleen Anne Blacker

February 25, 1956 - August 4, 2025

Kathleen Anne Blacker, age 69, passed away on August 4, 2025. Kathleen was the loving, devoted wife to David J. Blacker for 41 loving years; she was a proud and loving mother of 3; Jennifer, Matthew and Adam; grateful for a wonderful son-in-law Dave and marvelous daughter-in-law Vera; and a proud cherished "Nana" to Olivia and Luke.

Family and Faith were important values woven into all aspects of Kathi's life and living. She took great pride in nurturing her children to be life-long learners, even for matters of Faith. “ To the Blacker family: I am so sorry for your loss. My son, Jacob, had Kathi when he was in the ECSE program at Warren Consolidated Schools. She was instrumental in advocating for him to be placed appropriately in center-based autistic programming. Because of her, Jacob is now thriving in the MISD AI secondary program. He is an active communicator using his AAC device and enjoys attending school. He will be going into 11th grade at Flynn Educational Center next year. Our lives are infinitely better because Kathi was in Jacob's life.

May she rest in peace, and may the love of God provide your family comfort during this difficult time.

*God bless,

“ To the Blacker family,
I'm so sorry to hear of this news. I was Kathy's paraprofessional in the autistic room at the Huron Learning Center, she was a HARD worker and educator. Kathy loved the students with unending love and respect. Whispers of improvement although sometimes infrequent were recognized with celebration and excitement. I will always remember her endless heart of learning she gave to her students. May you feel God's peace surround you and the love of family and friends help you to navigate. Praying for your family.

“Kathi is one of the people that once you meet her, she impacts your life. Everyone that I talked to about Kathi has such wonderful stories of her and love for her. Kathi lived being the kind, compassionate, smart educator she was. She gracefully listened and taught anyone she could. Even when I was no longer in Kathi's classroom, she taught me things and supported me in reaching my dreams. Kathi was a trailblazer and I am honored and blessed to have had Kathi in my life.

“Dave, Jennifer, Matthew & Adam - we are so, so sorry to hear of Kathi's passing. We were so blessed to have you as neighbors and friends. Our girls often talk about “the Blackers” and how much fun they had growing up together and all the great memories made.💕💕 The HISD lost their greatest asset when you guys moved. How lucky they were to get her “down in the city”. You all will be kept in our prayers. May God wrap his loving arms around you and comfort you.

“ My girls and I spent many hours during bowling and during band events enjoying Kathi’s humor, wisdom, and kindness. I loved swapping teacher stories with her. We owed Kathi and David so much for their kindness and support when we lost our David. What true friends! ❤️. We now offer our support and many prayers for the repose of Kathi’s soul and for the strength for her family. We will add her and her family to our prayer lists, especially when we say our daily rosary. May her soul and all the souls of the faithfully departed, through the mercy of God, rest in peace. 🙏. “ I met Kathi at our Thursday Night Book Club. 14 of us gathered together regularly over Zoom to share news, travels,laughter and friendship. I only had the privilege of meeting Kathi in person over lunch once but I felt like I knew her “forever”. Kathi was just that special.
She will be deeply missed. 💔
