“ Wow...still can't grasp none of this. You know the saying..GOD broke the mold when HE made you. Well that's true in this case..because there has never been anyone as genuine and true and unique as Peach. God please take her in your arms and welcome her to eternal life of happiness and pain free. She is with alot of loved ones now. I'm sure it's a joyous reunion in heaven and she's already telling jokes. I love you sista...til we meet again

“ *I was very sadden to hear of Kathy's passing. She was not only an awesome person but a very funny lady. I can say I am proud to not only have known her but to call her my friend. She was a very endearing Mother, Grandmother and friend to many people. My heart goes out to Dave and her beautiful children and grand children. My prayers are with everyone whom was touched by this beautiful woman and her love. She was one of the good people and will be trully missed. May God bless her and welcome her home with open arms.*

*With all my love,
