“ *i had mrs. bloodworth for 2nd grade in 2001 n she was an amazing teacher. she was so full of energy n was soo fun to be with in class. i remember when me n cameron used to try n learn her irish dances at the assemblies...i never got it down haha. i looved doing the arctic stuff with her n i still sing the baby beluga song from time to time when it pops in my head. she was one of the coolest teachers...the only one i knew who invited her whole class to her house for a pool party in the summer :) it's hard to believe she's gone when it seems like just yesterday i was sitting next to her. she will always have a special place in my heart¾*

“ To the family and friends of Kathy,

My name is Samm, and I had Mrs. Bloodworth as a 2nd grade teacher in 1997. She was always one of my favorite teachers, and I have the most wonderful memories from her class, even to this day. She always had a way of making every single student feel special. I would like to share some of my memories from her 2nd grade class.

(these are meant for a little bit of a laugh)

Baby Beluga

Her daughter coming to our class showing us how to rat our hair :)

Chance flicking everybody off when he threw that tantrum

Us making those mobile things about what we liked that we hung from the ceiling

Our project on all the animals...penguins, blue footed boobies (and we know everyone thought that was funny), hump back whales, beluga whales, etc.

April coming into our class late with a broken arm

Pop up books!

How she'd have us all make cards for everybody on their birthday and staple them into a big card

The summer party at her house after school got out

St. Patrick's day with the Leprechaun catchers

The Irish Jig

The monster mash

Those are just some of my memories from her class (and I have a really bad memory). If she had a way of touching one 2nd grader's heart that way, I could hardly imagine what it was like to be related to her.

You have my sincerest condolences, and I will see you at the viewing on Thursday.

Sincerely,

Samantha Yagloski

“ *Dear Family of Kathy,*

On behalf of all of us at the National Shrine of the Little Flower, where Kathy's brother, Frank Roche and wife, Debbie, are very active, our sincerest sympathy and our prayers.

Though we do not know the details, death is always a shock that strikes a solemn blow of loss and grief.

May your faith and love sustain you and may Kathy, in her new life in God, continue to bless you. This is my prayer for all of you.

Peace be with you!
