“ *Dear families of Valerie, Joanne and David:*

Pat and I are so very sad about the death of your special Mom, Grandmother and Great-Grandmother. We are also so sorry for the loss of her presence in all of our lives. She was a sweet, loving person, a wonderful aunt who filled all of our lives with humorous, touching and thoughtful times. We are happy that her suffering has ended, but will never be happy that she is physically gone from our lives. She lives on in our memories and we hope that we can share some of those happier memories with you when we next see you. Please know that you all are in our thoughts and prayers as is Auntie Katie. Love, Pat and Mary

“ *David and family;
My most sincerest condolences. My heart truly goes out to all of you. It is hardest for those left behind on earth but I have a strong belief that such loving family members, once they are in heaven, continue to be at your side in angelic form and look out for all of you. My prayers are with you all.

“ *Our family is so sorry for your loss and know what your going thru since our MOM (Irene Skotnicki) went to her heavenly home in January. She always spoke highly of your Mom and your Dad. She appreciated their talks and the tomatoes your Dad would bring over. We thank you for having such generous and friendly parents. They made condo living much easier for our mother.
Our prayers are with all of you.
