“ *I had the pleasure of working with Keith at Data. I'm a folder operator there. He did pranks on me. I also did a few on him. He couldn't figure out how to start up his folder one day;-) I also shared a few lunch breaks with him. He's missed by many. He was way to young to be leaving us. He opened my eyes . We love you Keith, the Wardrops*

“ *Thoughts and prayers to your family Lisa.....I remember being on Lisa's porch sitting with friends and Keith walked out, jumped on my bike and did a wheelie for about 5 houses, then parked it, and walked back in the house, never saying a word, just letting me know who was in charge...*

“ We send our deepest sympathies to your family during this difficult time. I worked with Keith at Data and have many funny stories about the pranks he would pull on people all the time. One of the biggest pranks he pulled was on me during the kick off of the Thanksgiving weekend one year. My daughter was 2 and she loved Keith and he would take her for a short ride in his car everyday. He always told me one day I am going to take her home and he did. I picked her up at his brother Kevin's house and he said I told ya I was going to take her home. We both laughed and she had a great time playing with the boys and eating cupcakes. He left an impression on people and will be greatly missed. He will never be forgotten. It is hard to believe he is gone.

“ Our deepest sympathy to Ryan & Jacquelyn, Brandon, Travis, Karen and to the rest of Keith’s family and friends. You are all in our thoughts and prayers.

I haven’t known Keith very long, but long enough to know he loved his sons and were proud of them all. He loved his best friend, Karen, and was very happy to have Jacquelyn as a daughter-in-law. He was thrilled about his soon to be born grandson, Jackson, and him becoming a Grandpa. This he told me countless times while holding back a tear. Keith, I assure you, Jackson will know his Grandpa Knoll as memories of your stories will never die. Watch over Jackson and your sons from heaven and keep them safe. Until we meet again...

“ I remember being told by our parents not to cross Van Dyke on our bikes, I also remember Keith saying who cares and off to Sunnybrook we went to listen to the MC5 on the juke box...we were like 10 years old, everytime I hear kick out the jams or the word MC5 I always thought of going there with Keith...Man this sucks

“ This is the saddest news. So many childhood memories with Keith; my favorites . . . him taking the time to teach me to shuffle a deck of cards, I put him in charge of watering my plants one family vacation and he nearly drowned 'em (LOL), rollerskating every weekend at The Rink, a memorable sweet 16 birthday. And he even got to meet my hubby, grandson and dog while we stood in the line @ Erma's Frozen Custard, he with the love of his life! Keith was special and like a big bro to me! Heaven is lucky and couldn't wait to have such a sweetheart. Rest in Paradise, buddy!

God's abundant blessings to the Knoll family. Sending peace, prayers, love and the warmest hugs. <3 XO
