

Ken Hoffman

February 3, 1947 - August 2, 2023

It is with a heavy heart, we share the passing of Ken Hoffman (76) on August 2, 2023 at his home with family by his side. Beloved husband to Nancy for 55 years and the loving father of Kimberly "Kimmy" (Michael), Tina (Jeff) and Cher (Bill). Ken was also a grandfather to Alex (Krissy), Alicia (Andrew), Brett (Cayla) Aaron (Nicole) Cameron (Shania), Tyler (Angie) and Marissa; and great grandfather to Brayden, Beckham, Brielle, Mia, Jonah and Tayven. Uncle Kenny was loved by many nieces and nephews as well as his pets Molly and Stella.

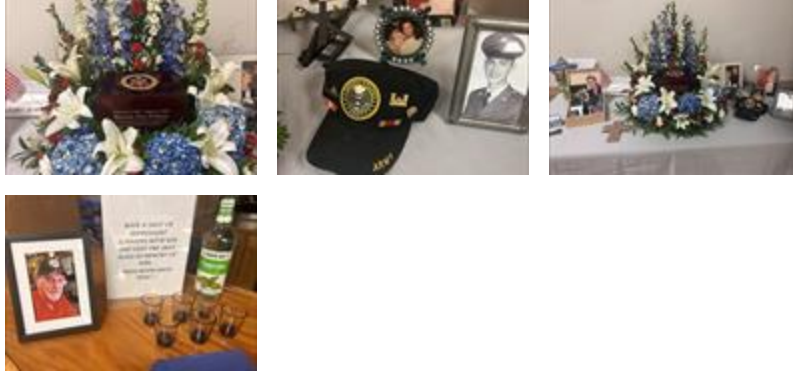

Ken was a proud veteran and hard working man who had an uncanny ability to fix anything that landed on his workbench. He was the neighbor everyone wished they had and a father figure to many that loved him. Kenny was tough as nails on the outside and had heart of gold on the inside. He loved his rock and roll music and his happy place was his property up north. Ken was a loving person and cared about his family and friends and will be dearly missed by all.

A celebration of his life will be at a later date.

“ Wish I had a picture of you, Ken. You were such a good friend and neighbor to me and Bob. He used to enjoy visiting you in your garage. Now you can both visit each other in heaven. There isn't anything you wouldn't do for us including snow blowing our driveway, and removing a bush for us with your truck. Your at peace now.

“ In looking at this photo taken on Ken & Nancys' "50th Anniversary", my mind immediately flashed back to the "first time I saw them dance together at a small house party years ago. The song playing was titled "When a Man Loves a Women"...I recalled how Ken looked at Nancy, with such love in his heart and in his eyes".Exactly the same way as he is in this photo, 50 years later. Then, " to love her 5 more years" and make it to 55 years of a good solid marriage.Marriage isn't always easy, as we all know that, but it's "this kind of love" that pulls a couple thru life together.I will miss you our good friend.My whole family will...Keep the "music playing up there , and in time we'll get to the party. Forever in our hearts, Chris & Lou

“ *Hi Dad, it's been 8 days since you were able to rest easy and pain free. As much as it brought so much pain to our hearts letting you go it also brought a little peace knowing you are no longer struggling to take every breath. We miss you so much already. I am sure the neighbors wish that garage door would open early this am. and they would see you doing your many chores. Mom is tapping into her inner strength to keep going and keep things as you would like them. She is strong and you know this!! I know you are spending glorious days in heaven with all our amazing, loved ones who passed before you. Breathe easy daddy!!*
