“ Lynn so sorry for your loss. Ken definitely was one of the best people to be a part of my life. The memories Audrey and I have of the many many times of running into you and Ken at Lakeside or playing whirly ball with both of you as teammates, and the recent time house hunting for Kobe - good times. “ I met Ken many years ago when he married my best friend, Lynn. How lucky was to get such a great 2 for 1 deal. The love they shared was inspirational. Ken's kindness and soft spoken wit always made for lots of laughs. Whether it was a shared meal, Trivia Night at the Kit Kat Club, or a game of Whirlyball with family it was nothing but fun. Today I celebrate how he graced the lives of me and my family.

“ Although I've known Ken and Lynn for a majority of my life, I got to know them better when I moved to Michigan to go to college I'm the fall. Thinking back on the time our families recently shared pizza, I can't help but smile. We were welcomed into their home with huge smiles. I am eternally grateful for the memories that were given to me as well as the kindness that was shown to me in my times of need. Ken helped me look for my first home away from home when I thought my campus would shut down.. Although I have sadness in my heart, I will cherish what Ken has taught me through his actions. May he live on through the many people he has helped and changed.

“ *Ken and Lynn have been the "BEST" neighbors of mine for years. We could spend hours just talking about anything and everything. They were tremendously helpful in consoling me and advising me this last year of my wife Theresa's life. I will sincerely miss Ken and his wonderful smile. It is remarkable that we could share their advice and feelings with me so openly . I considered Ken as a read buddy ...an old fart and a middle aged, hard working neighbor just talking and sharing a cold drink together. I often used them as an excuse just to visit with their dogs that we all loved dearly. I will truly miss my friend and buddy Ken. Earl Harper*

“ Thoughts and prayers to Lynn and all the Barwin family. Lynn and Ken have been a part of our wallyball/volleyball family for many years. Even though Ken hadn't played in awhile he did show up to the occasional bar night and get together. He will truly be missed!
