“ *I happened across this by accident & I wanted Ken & Kevin to know I'm sorry for your loss. I have so many great memories from my childhood of doing fun stuff with you and your dad (both of your parents, actually). I hope all it well with you & your family.*

“ *I'm truly sorry to hear of Ken's passing. He was good friends with my parents when I was growing up. I remember many a Friday and Saturday night in the basement with Kenny and Kevin playing Pinball and listening to George Carlin records while the babysitter watched TV upstairs.*

“ I remember going to a demolition derby with Uncle Kenny long long time ago when I was a little girl. I'll never forget how loud it was and the smile on his face just loving it! I wish I could be there with my family to share in his memory. Sending my love.
