“ Sending my heartfelt condolences and love to all family and friends! I never had the opportunity to meet Mr. Trush but I have always heard nothing but great things about him. Losing someone you love is one of the hardest things ever! Praying that all of those who love him can find peace in the midst of such a painful time. Gone but most definitely never forgotten 💙

“ So sorry to hear that a great person has passed. Most of the memories we had of Kenny was being at the Woodward Cruise. He took the time to set everything up for everyone to insure we all had a great time. He will be missed for sure.

“ Words.....I have none and am at a loss.....but on the other hand I have so many. Kenny was that guy, person, friend that would lend a hand whenever asked, an ear when you needed to bend it for advice, or a sounding board to bounce thoughts off of. No matter what, when or where if I reached out he was always there to help, hesitation..... absolutely none whatsoever.
As the poem "The Dash" states..... Kenny you have a dash that nobody will ever forget and you, your family, friends and everyone you touched can and will be extremely proud of.
As we always would say back and forth in that Kenny voice.....
"Barbara Sue yeeeeesssssss Kenneth Richard"?.....
Well Kenneth Richard until we meet again, I will miss you more than words can ever say.
Always and Forever
"Barbara Sue"

“ Today with a heavy heart, I wanted to share a few beautiful memories of Kenny Trush my father in law of 20 years of my life ❤️ 🕊️

When my girls were little we all lived in Warren together and the three of us walked over to Kenny and Kathy's house each night after they were done working to swim, Kenny always made sure the pool was beautifully clean with lots of pool toys for his girls, his fridges were always stocked with snacks and drinks ready for them after a hard swimming session 💕 then each evening as we left to walk home he'd say call so I know you got home safe 🥺 he always treated me like a daughter from day #1 he will always hold a special place within my heart forever.

RIP Kenny Trush 🕊️🙏❤️

“ There are no words to describe the loss of this man, he helped anyone who was in need, especially for me he did so so much for me whenever I needed anything I will forever miss my very special friend.

I remember when my basement flooded and I called Kenny and he came right over called the plumber and stayed there all day to make sure that the job was done right and then after that he cleaned and sanitized my entire basement, who would do that for anyone these days, nobody but Kenny that's just one of the many many things he did for me over the years, I will forever miss him.

When my husband died he took me under his wing and helped me with anything and everything I asked. Always patient with my many needs. I hope he knew how much he was appreciated. He will be missed so much. Our neighborhood will never be the same!*
