*I loved how adventurous you were. Your kind smile will be missed. I was so HAPPY for you when I heard how gracious your Aunt was. Nobody deserved it more, as you helped her so much, and never asked for anything in return. The angels came for you, so rest in peace and go to any birthday party you want now.*

“ *Kevin's mother Marsha is my best friend and I know how much she loved Kevin and what a huge loss this is. He was always in her thoughts and she would do anything for him. There are many great memories she has of their time together. I will miss Kevin. Rest in peace.*
