“ *My deepest condolences to to Kevin's family and friends. We just started to work with Kevin on projects here in Oshawa, being new to the layout group he quickly transitioned into the project, he was a dedicated and valued member of the team. He will be missed by all those he worked with here.*

“ *I remember Kevin from our Warren Assembly of God youth group in the mid-eighties. He and Billy Long were always goofing around, laughing, and up to something! I have seen him only once since then, and that was earlier this year at the Memorial Service of our long-ago Youth Pastor. Same smile and cheerful personality. We will meet again one day. Prayers for comfort and strength for your family.*

“ *My deepest sympathies to Kevin's family! Kevin was part of our Layout team at GM for only a short 6 months. He stepped right into his role and quickly proved himself to be a talented and reliable member of our team. He was very personable, easy to talk with, and had great taste in convertibles. He will be greatly missed! Rest in Peace, Kevin.*
