“ *Beloved brother. You always made the world laugh. Special moments of laughter we would share throughout the years. Our childhood memories filled to the top flowing into the future will stay with me forever. I need you to Rest in Peace my angel. I will miss you so much. My laughs will never be the same. But i will continue to walk this journey until we meet again. Please continue to shine those rays of sunshine, just so i know you are there. No one will ever take your place. I will find some comfort knowing you are with Brandon waiting for me.*
