“ Kevin was an amazing man! He was so kind and genuinely cared for others. I've only known him for a few years. In that time I regarded him as a friend. I loved sharing stories with him. He would stop by just to talk and share experiences. I was also fortunate enough to know his sister Roxanne. Like Kevin, she is a kind and genuine person. I send my full condolences to her and his family. He will be truly missed. Rest in peace my friend.

“ Kevin will surely be missed. I have so many fond memories of riding on his boat. Kevin taught me how to waterski. His sarcastic sense of humor will be missed too! We had so much fun up at the cottage.

My condolences to Nancy, Roxie and family.
