“ *Kim was my Dad's best friend from school in Utica. They always kept in touch and it was heart warming to see their friendship. After my dad died in 2020, he sent such wonderful messages to us kids. I'm so sorry to hear of his passing. Hey, Kim, hug my dad for me,*

“ *I remember my Uncle as strong, funny, and caring. A hard man, with a big heart. He was always cracking jokes and making us laugh. He came to the hospital to support me after my car accident, and he always came through to support his siblings when they were facing various ailments. He loved his family dearly. I love you Uncle Kim. I will miss you. See you again someday.*

“ Pops even though miles separated us from early on. You were the best example of what a father and a fathers love should be. Me and my family will miss you. You will live on through my children. I love you DAD!

“ “Uncle Kim” was my Dads very best friend and my Godfather. He was such a fun loving, caring person. I remember our camping trip when I younger, and going to visit Uncle Kim with my Dad as a kid. He always had the biggest smile and gave the warmest hugs! I love you, Uncle Kim. xoxo

“ It was a long 10 months. We did a lot of laughing and crying during that time. It was an honor to be your caregiver and wife. I hope I did enough to make you comfortable during that time. I will always remember the good times we'vehad. Your dogs and I are going to miss you. Till we meet again. See you at the tree to the left
