“ Hi Ken and family,

My sincerest condolences to you and your family during this most difficult time!

Kristy was so wonderful ... she was like a sister to me!

I am so thankful we all became friends and went out socially.

What a really great time we would have together. You all became our extended family... you helped us pack when we moved and even came for a visit to Indiana!

I know that she and Bill are in heaven now meeting up and hopefully paving the way for the rest of us! ❤️

“  Kristy Sue was a very special young woman. She always had a smile & was kind to everyone. We worked together at Purdy Chiropractic Clinic and everyone loved her. Kristy Sue's smile was like the sun shining. She was honest, hard working, very intelligent and never had a negative comment about anyone. She will be truly missed. Prayers for her husband & family—there aren't many young women & doctors like her.

“ It was a very fortunate day for me when Kristy walked in to my chiropractic clinic and applied for a job. She was attending college at that time and was looking for part time work. She was one of my life’s greatest blessings. Every day she came in to work her smile would light up the room. She was so loving ,caring and compassionate. In closing I would like to say she was also one of chiropractics greatest blessings. After graduation I did not get to see her as much as I would have liked but I can honestly say she will always be with me in Spirit...Dr. Kristy you are loved and will be missed...

“ I met Kristy when she worked for another chiropractor, and when she opened her own location, I switched to her. Her calm demeanor, abilities, knowledge and sincerity set her apart as a chiropractor. It was so easy to be friends with Kristy. We send our love and prayers to Ken, her mother and family. She will be dearly missed. Cindy & Glenn

“ I met Dr Kristy when we were in college and worked together for a wonderful chiropractor. We went to the same chiropractic school and later I had the pleasure of hiring her at my office for a few years. Kristy was always a bright, shining star. Heaven has gained a wonderful angel. Rest in peace.

“ This is a deep loss for us all. I have known Dr. Kristy about 15 years ago. Day one we became fast friends. One of my fondest memories is she bought some groceries for an older woman who was afraid she wouldn't have time between appointments to get home to her husband who was recovering from an illness. She was so surprised that Dr. Kristy would do that for her. This was the compassionate woman that was Dr. Kristy. My love and prayers to Ken, her family and all of us who are mourning her. 🙏💕💕

“ *Dr Kristy was at first my chiropractor and she quickly became my forever friend! We connected right from the start! Her kindness was contagious! My deepest condolences to family and friends. She will be deeply missed!! Fly high Kristy! I will see you later. Love, Wanda*
