“ *I had the pleasure of being Kyle's Choir Director while he was in High School. He had a beautiful voice and loved to sing. Kyle would be the first one to have his music memorized and was very committed to presenting a superb performance. You were taken from your family too soon, Kyle. My sincere condolences to your wife and children.*

“ Kyle was a dear friend and wonderful father to his kids Alex and Sophie and husband to our friend Michelle. We loved getting together at various birthday parties, baptisms, and most recently Alex's martial arts test. Kyle was so PROUD of his children! One of our favorite memories with the Hentkowski family is when we went with them to the Henry Ford Museum together. We will never forget Kyle's kindness and sense of humor. He always had a kind word for others. We pray that God will hold his family in His comforting arms. We love you and will see you soon. Julianne and Mike Webb

“ Kyle, was the hardest working most dedicated team member I had the honor of working with. He was such a pleasure to have on my team. We had a tone of great memories when he would bring Alex into the office. He was a great dad and husband. I appreciate everything he did for us. One of the nicest most genuine human beings I had the honor of knowing. Thank you for everything Kyle.

Kyle was truly one of the most genuine and kind people that I have ever had the pleasure of knowing and I am honored to have been a part of his life. All of the tears that have been shed, stories told and condolences given are truly a testament to who Kyle was and the impact that he made on a daily basis. I have had the pleasure of being Kyle's team leader over the past couple of years and I now realize that he was actually leading me to be a better teammate, Husband, Leader and Friend. Those of us that knew Kyle knew that he had no trouble telling a story and he would want our stories to go on. May he rest in peace now that he has gone home to be with his mother whom he missed so dearly.
