“ It was 28 years ago last month that Kymm was working at Farmer Jack and introduced her co-worker to me because she needed a mortgage and I happened to be a loan officer. Kymm, I owe you more than you could ever know for that joy you brought into my life, and for that you will forever be in my heart. Joe, we've been good friends for a lifetime, and my heart hurts for you and your children during this time of great loss. May God be with you today and always, as you grieve and heal. Mary and I pray for comfort to all who love her. -Kevin & Mary Hawkins

“ So many memories of being a teen hanging out at the house with Alicia and Joey where she always made me feel so welcome. She was that kind of person--treated me like family. So sorry for the loss. <3 much love to the family during this time.

“ I remember her laugh, her joy. I remember her love...when she met Joe. Kymm's devotion to her family, how fiercely she loved Alicia and Joey. Innumerable flood of memories. Our hearts are broken. Constant thoughts and prayers for those in indescribable pain, those that were blessed enough to know Kymm.

“ Kymm is going to be sorely missed. The best memory I will always have will be her making all those creme puffs for us when we were young. She always made sure I was good and fed! She was like a second mom to us.
