“ *How do I go on without you? We had so many ups and downs over 48 years, but you were my love and my hero. You gave me everything any woman could ever want and I thank God every day for bringing you into my life. You were a wonderful husband, but more than that, you were an amazing father and grandfather. Someday, you will meet me at Heaven's Gate and I will have a caramel apple sucker for you. You will always be in my heart, My Sparty Guy!*

“ *Oh Papa how I miss you so. I'm so blessed to have met you and that I was able to spend these past 3 years with you in my life. I truly wish I had met you sooner. Thank you for always loving me as if I were your own. I knew from the first time that you told me that you loved me... that you truly meant it and it meant more to me than you could ever know. Thank you for never giving up on me and always being there when we needed you most. You are such a kind and pure soul and the true definition of what a man should be. I will miss hearing "HEYYYY!" as I pop into your room and feeling the stubbles on your cheeks when I'd kiss you. My heart aches knowing that we have to go on without you, but I feel comfort in knowing that you are at peace. Rest easy knowing that we will take care of Grandma, as well as each other as a family. I love you so much Grandpa!*

“ There are no words and not enough time for everything I would love to share about my Dad. He was the kindest and most loving, unselfish, amazing man I have ever known. He was always there for me and my kids and I feel blessed to have such a amazing dad and papa. He was more like a dad to them than a papa. We are extremely blessed to have been able to share our entire lives with this beautiful soul. He has seen us through every memory whether it be good or bad and he always made it better. We will love and miss you for the rest of our lives. Rest now dad and be at peace. We will see each other again. I love you to the moon and back...
