“ Laurie has been the world's best neighbor. She shared her love of birds, butterflies and flowers with me. She was my go-to for bird identification. She was always so patient and sweet to my daughter, Angelina. When she was three, Angelina started rushing up to the screen door, "Mom! Miss Laurie is in her yard!!! Can I go next door?" which began years of backyard visits. Angelina always loved to play with Cocoa, and Laurie would never turn her away, as always, so gracious and patient. I will miss that sweet smile and wave, her listening ear and great advice. To Keith, Melissa, and Thomas, our heartfelt condolences. We will continue to pray for all of you during this hard season.

“ Laurie was once my cousin by marriage, but she was so very much more! She was my friend, and she was a special and extraordinary “Aunt” to my girls. She was the greatest caregiver that I could have ever had for both Sara & Cassie. Laurie was truly an angel on earth. She helped raise Sara, and then Cassie 13 years later, and was always there for them when I couldn't be. She was there for me when I had to go to work every day, to love & nurture my girls, from infants to the time they went to school, and beyond. When they were sick, she nursed them back to health, always loving them as her own. The girls cherished their time with Aunt Laurie & Uncle Keith. I will be forever grateful for all the love and blessings she gave our family!!

Keith, Melissa, Bob, Samantha, & Thomas, you will always be family to us, and we love you all very much. Our hearts are filled with deep sorrow as we loved Laurie so much. Please know that our heartfelt condolences are with you all. You will remain in our thoughts and prayer through this very difficult time.

All My Love, Always,
Linda Beattie
