“ *Mr. and Mrs. Bone, and all the whole family. Best neighbors in the neighborhood .Been in the neighborhood since I was a kid, so just over 54 years. Mr. Bone was one of my dad's dearest friends. They were always working on projects. I Have had the honor of enjoying the Christmas decorations as a child, sharing them with my children and my granddaughters. We have many many memories of growing up with the Bone family. He will be truly missed on this earth. Love Kinette*

We are Olteanu family, Bone's family neighbors on Virgilia. We also remembering Larry for his awesome Christmas and Halloween displays. We use to go and admire his work, every single year. Larry also has a special love for animals especially the wild ones. Larry was a great person and a good neighbor. He will be missed.
