“ *Tatjana, Zaklina and the entire Family left to mourn the loss of Baba Lenka,
I'm sending you my Love and wishing I was able to be there to console you all in person during these difficult days ahead. May Baba be remembered by the meaning of her name "Light"...as she was truly a shining example of a Wonderful Wife, Mother, Grandmother and Great-Grandmother to her Family and everyone that was lucky enough to have known her. I'll cherish Beautiful memories of better days...especially the last conversation I had with you Jackie when I was in town for the Holiday's while we were reminiscing about the past and our youth. May her name live eternally, her memory live on through all of you and may the comfort of knowing she is reunited with Dedo Lazo bring some Peace to your hearts during this difficult chapter. Bog Da Joj Dušu Prosti.
