“ We were deeply saddened to hear about Mr. Cartier’s passing. To me, he wasn’t just a neighbor he truly felt like family. Mr. Cartier was always there with a helping hand, a kind word, and a good story to share.

I’ll never forget the many hours we spent together, especially the time he helped me build my shed and finish my basement. He didn’t just lend his tools he shared his time, his patience, and his wisdom. Those moments meant so much to me and taught me lessons that will stay with me for life.

What I’ll remember most about Mr. Cartier was his way of making everyone around him feel valued and welcome. His kindness, warmth, and sense of humor always brightened our family.

“ My special brother Leo who I already miss so much...Sometimes life isn't fair.God took away the hardest worker and nicest person. Leo's suffering is now over and he has joined his sisters Jeanne and Rosie and our parents in heaven.
Joe and I and our 3 sons Steve, James and Michael and Kathleen want to express our very deepest sympathy to Nora, Sue, Bob, Adam, Bethany and Shane...there are so many beautiful memories of Leo to hold in your hearts. He loved his bread, pastries, good food and his awesome family. We had great conversations about the TIGERS... he always told me “wow Lena you know so much about the players”...we had a lot in common. Yes GO TIGERS....Watch out 2026 will be their year.
Every phone conversation with Leo started with Hello my dear... I will treasure those special words
Leo's memories will last forever. Our love and prayers are with you during this very sad time. Hugs to alllove you.....xo
