“ *The following is a personal note for the Zabrewski family only:*

*Mrs. Zabrewski: I happened to come across the death announcement of your husband, Leo, when I logged onto this web site to view something else (the death of a former grade school classmate).*

*I was shocked to see the announcement of your husband's passing.*

*Please accept my sincere condolences. I'll let my brother, Paul Chmielewski know, too.*

*My Mom and Dad, Lucille and Edmund, have passed away. Dad died in December 1997. Mom, in May of 2002. I am writing all of this here, because I have no idea how to contact you. My email is above, please feel free to write if you want. Again, my deepest sympathies to you, Patty and your son. Love, Joanie (Chmielewski) Henson*
