“ Who would have ever imagined a visit to your garage sale 3 years ago would lead to a lifetime of friendship....not only did we become friends but we adopted you as our Grandpa C & Grandma C since we have no family in the state. We are happy God allowed our paths to cross for a “reason”, season and lifetime!! We will continue to visit & help Grandma C. like we promised you on the 24th...and with your unspoken words of “thumbs up” you understood. From your fellow (Army) Veterans/friends/neighbor/and adopted family to our Marine Veteran-until our paths cross again we “salute” you!!! (MSG) Jerome , (CPT) Dee, Jaeda & Devin. You will be missed by all!

“ *Nobody has just 1 memory of the Big Guy, but one that makes me smile thinking about is how he and Grandma would come to every one of my football games and Grandpa would bring that loud ass cowbell and just ring the hell out of it. Hahaha. I never had to look and see who was in the stands watching me because i could hear him. That memory i still think about almost every day. We all Love you Grandpa, and you will be deeply missed by everybody. But you have left behind lifetimes full of memories.*

“ I'm so sorry to hear of Uncle Leonard's passing. I remember growing up, every time we came into town, he'd throw a lot of coins on the carpet in the family room and all of us kids would go diving for them. Uncle Leonard would then take us all to the penny store to buy candy. He was a special man and my dad considers him to be his best friend. You all are in my thoughts and prayers during this very difficult time.  
Sending you much love,
