“ To the family of Uncle Lenny and Aunt Rosemary I am so sorry for your lost. Time and distance has kept many of us cousins from keeping in touch and that is truly sad. Your mom and dad are together again embracing one another. No more pain, confusion or sickness just amazing peace.

Many good memories with them both when they lived in Sarasota, Fl.

“ *I remember visiting Uncle Len and Aunt Rose in Detroit when I was around 9 or 10, and we got to play a card game called "Bullsh*t." We had so much fun that night, with my mom and dad and everyone sitting around the kitchen table, trying to trick each other about what was truth and what was fiction. I'll always look back on that visit and my memories with fondness.*

Love you, Uncle Lenny. May you rest in peace.

“ I will always smile when I think of my great uncle singing me songs like "There's a hole in the bottom of the sea", testing my wits with brain teasers, mathematical or scientific questions, and playing jokes on us all! Love to all, Laura
