“ *My condelences to the entire Marineau family as you were family when we were growing up. It brought a lot of good childhood memories rushing back. I'm saddened that the last time I saw her was several years ago at my sisters wedding.*

“ I will always remember Leslie's inviting smile, her genuine laugh, her greeting with a hug,a kiss and a "Hey, Baby, What's Happenin'?". Our conversations over 2 cups of tea, hers with milk and honey. Those colorful stories with expressions to match. The way she said, "Yeah, Right!". And of course, how she LOVED to dance!!

*These things and more I will carry in my heart forever. I am missing my "BEST Friend Forever"!*

*Love, Carol Chick*

“ Aunt Les,

*I love you and miss you so much. I know you are with God and one day we will be together again. I will miss your smile and laugh, your hugs and kisses, the way you would just bust out a move and sing to a song and the way you always patted my hand and called me "Lynnie Poo" I will forever have my memories of our trips to Vegas and Mackinac with Don. You are an inspiration to all and I am blessed that you are my aunt. There are not enough words to truly describe the kind of person you are. You love your family and life and live every day to the fullest and it is an honor to be your niece. Forever you are in my heart. I love you. Your trip co-ordinator.*
