“ Dear Katherine, Annette and the Family,  
We are so sorry to hear about your Dad's passing. Our hearts ache and go out to you in this difficult time. Your Dad was such a good man, he loved you so much and was very proud of you, he loved this Country and he loved music. We will always remember good times together, going to concerts in the park or to his performances playing guitar and singing, at the Dessert Oasis, in Rochester. We have heard about his band playing local nursing homes, what a wonderful and thoughtful gift to the elderly there!  
Our prayers are with you, may his soul rest in peace and may God be merciful to him.  
With sincere condolences, the Kubina Family.
