“ *To the Diakiw family*

*Our deepest condolences on the loss of your mother...she has been a wonderful neighbor and we have enjoyed watching her grandchildren and flowers grow next door for many years now...we will miss her and Maria - the remarkable care she gave your mother was such a blessing to your family and Lidia...*

*Your mother will be buried in the same cemetery as many of my family including my father and grandparents...and eventually my mother too when it is her time to be reunited with her husband and all the angels in God's house. It is a wonderful place of solstice and comfort for our family and we hope you can find peace there as you lay your mother to rest.*

*With our deepest sympathies and regards,*
