“ I just found out about Dr. Sistick's passing today, as I attempted to make an appointment with her for an eye exam at the LensCrafters at Partridge Creek. I was so very sorry to hear about her passing. She was my optometrist for many years starting in St. Clair Shores (Started as D.O.C. then LensCrafters). I followed her around throughout the years, as she went from various locations/companies not only because she was an outstanding optometrist (truly my favorite optometrist), but also because she was a very caring, friendly, and just an all-around kind-hearted person.

*My heartfelt thoughts and prayers to Dr. Sistick's family.*

*With deepest sympathy,

“ I stumbled upon this as I was looking for a new appointment with Dr. Sistick. I've been seeing her since I was in my teens, first at Lens Crafters in St. Clair Shores then I followed her to Lakeside, Macy's and lastly Partridge Creek.

*Dr. Sistick was by far my favorite Optometrist. She was always been so friendly and it was always nice to hear about her upcoming or just passed vacations with her husband and how her son was doing in school. I am truly saddened to hear of her passing. She was a great person and my thoughts are with her family.*

*I just want to say that not all Medical Professionals are like Lidia. She was kind, caring and really cared about her patients. I will definitely miss her.*

“ I walked into Pearl Vision on a whim looking for a eye doctor, I walked out with a new friend. When Lidia left for LensCrafters I followed her. She’s been taking care of me and my family for 10 years now. She’s watched my girls grow up. She and I became great friends. We’d laugh and talk and sometimes go shopping on her breaks. She called me her Sister Friend, I called her My favorite person. I’m so saddened of her passing and I’ll miss her immensely. To her Family, my heart is with you! ❤️ She was a wonderful woman, and My Favorite Person

“ I had the pleasure of being friends with Lidia for over 30 years. Time passes but with each phone call, we would pick up right where we left off. We supported each other through parenting challenges and life's challenges. Lidia was a true friend who always had an ear to listen. Her wonderful wit and sense of humor brightened our conversations and my day. Her laugh was infectious. We could be totally honest with each other.

It is sad to think that I will no longer be able to text or pick up the phone and hear her voice to brighten my day or help me through life. Gone too soon, I treasure her memory and hold her forever as a friend in my heart.

My heart breaks for William and Michael and all her family . We will hold on to our wonderful memories of dear Lidia until we see her again in Heaven. I know she will be watching over us all until then.
