“ *Dear Mom, on the eve of your Ninth Anniversary of your passing I just wanted to tell you how much I love you and miss you every day! Even after 9 years it is hard to believe that you are gone, I hope you and Daddy are dancing in Heaven to your favorite Big Band Songs! We have the same 3 Mourning Dove Birds that are always together by the house. I always think to myself that maybe it's you, Daddy and your grandson Ron! I'll love you Forever and I hope someday we will all be together again, Love, Carol*

“ *Dearest Mom,
I still think of you every day, and now with the passing of dad, I know that now you will rest. I know you are at peace because you are surrounded by loved ones that left long ago and that was all you wanted. My love to you always, Dear Mom.*

“ Dear Mom, as time goes by I miss you more and more, it is still so hard to believe that you are gone from our lives. We all miss you so much, your zest for living, your humor, your words of wisdom, I would give anything to talk to you once more and hear your voice. I love you so much and as Mothers Day approaches I miss you Mom and need you in my life. My world is not the same since you left this earth! I love you Mom and miss you more that words can express!
Love, Carol

“ Dearest grandma, you are with us every day - in our thoughts, in our memories and in our hearts. And when our hearts ache, we smell your favorite perfume and feel you are back on this earth. We are comforted knowing you are with those you love in Heaven. Thank you for being the best grandma and great-grandma in the world....we have learned so much from the woman you are. We love you with all our hearts and thank you for being our angel in Heaven always with us and guiding us still, love, gina, maya and addy

“ Dearest Mom,
Words cannot express how much I miss you and your wonderful spirit. You taught me many things throughout the years.: sewing, baking, cooking Polish food. You put yourself aside for others, ready to listen to their problems when you were hurting yourself. You were a Peacemaker all of your life, holding the family together as much as you could. I see that now that you are gone. We are lost without you, mom. I take comfort in knowing that We sent you off in style, the Classy lady you always were. Happy Easter, mom. Remembering all you gave every day. Somehow I feel your strong spirit right now. Love you, Shirley
