“ I always enjoyed visiting with Aunt Lil. Her sense of humor and her laugh were contagious. Even through all the losses in her life, her attitude was an inspiration. As much as she will be missed, I am sure she is happy to be reunited with her family. Rest with the Angels Aunt Lil and give my parents and brothers a hug for me.

I remember Aunt Lil always with a smile on her face. She loved a good joke and she loved to visit with family. And when all the sisters got together at Aunt Angie's in Posen it was fun to listen to them. Rest in peace
