“ I have enjoyed working with Linda for almost 20 years and was privileged to accompany her to Washington, D.C. quite a few times with the 8th grade students. She really poured her heart into that trip and made sure that all the students not only experienced new things, but also had fun along the way! Those trips will always be some of my happiest memories at Lincoln Middle School due to Linda's energetic leadership and personality. She is definitely missed at LMS, but I know she will be missed far more by her family. My deepest sympathies to all her family during this very sad time. Our prayers for comfort for each of you, especially in the months ahead.

Sincerely,

“ I remember Linda fondly. I retired 6 years prior to her retirement in 2018. I subbed a bit for her after my leaving, and remember her dedication to and love for her students and her great organizational skills. She was an interesting teacher, as I'm sure her students would attest. May the peace that God, friends, and family can provide, sustain your family and all who mourn for her.

“ I had the pleasure of working with Linda as her sidekick at Lincoln Middle. The love she had for her students showed everyday. To this day I always giggle when I think back on her love for Disney and helping her decorate the classroom each school year with the Disney decor. She definitely will be missed by many.

“ Linda Malan
I worked with Linda for many years. We taught Special Education together but Linda didn't just teach it she put herself in her students shoes so that she could find their best learning style . If you needed anything she had it... she was an extremely organized person and her students could never say that she lost their class or homework. They kids loved her because of the way she treated them... with love and understanding. She was a great listener and offered many great suggestions for things.
I know she will be greatly missed by all who knew and loved her.

“ To the family and friends of Linda Holloway,

Next to her family, Linda loved teaching!!!! We were so glad to have her join the LMS staff and be part of our Special Education team after teaching in Pontiac. She had a passion for teaching special needs students reading and writing skills. Even though she was small in stature, she was big in heart. She spent countless hours organizing our 8th grade Washington D.C. trip and raising money at after school sport events to help defer the cost of the trip. Her goal was to get every 8th grader the opportunity to attend. She truly lived life to the fullest through simple pleasures; Disney, diet Mt. Dew, any good deal/coupon, chatting with friends, snacking especially those mini Hershey bars, and spending time with her family.

May you find comfort during this very difficult time.

“ Linda was my special education teaching partner for 18 years in the Van Dyke Public Schools. Linda taught English and Science and I taught Math and History. We both were hired at the same time and and were complete opposites, but ironically we had the same style of discipline and teaching that allowed us to work together perfectly. We both retired in 2018. I miss working with my friend! Linda was affectionally referred to as "Grandma." That role fit her perfectly because she was a "wonderful Grandma" and if you needed anything, "just ask Grandma." Grandma had everything and yes, she did have everything!
Love Ya!

I can't believe An amazing person is gone to soon. I love her so much..I didn't know that she passed away until 9:00pm tonight when my mom texted me. When I got the text I cried.. “ *To the Family of Linda Holloway, Linda was a deeply dedicated and caring teacher. There is nothing she wouldn't do for her students. Linda was known in the halls of Lincoln Middle School as the “Queen of Washington D.C.” She spent countless hours at sporting events selling candy in order to award scholarships to students who could not afford to go. This was a once in a lifetime opportunity for many of them. Her planning and organizational skills were impeccable. She could locate any memo or report in seconds. Linda was affectionately called, “granny.” Her warm smile and kind heart gave students and staff a feeling of comfort. Her love for chocolate, Disney and Mountain Dew will always be remembered. Linda shared many stories with her “LMS family.” She was especially proud of her son Christopher and her granddaughter Arielle. She would beam with pride whenever she spoke about her family. She was a special lady who will be deeply missed. Her dedication and devotion to LMS will be greatly missed. May God bless and comfort you during this very difficult time.*

*Respectfully,
Mary Lynn Peterson*
