

Linda Hyde

February 22, 1958 - May 14, 2025

Beloved wife of Kenneth for 40 wonderful years.

Devoted mother of Andrew (Megan), Zachary (Marissa), and Emily.

Loving grandmother of Penny.

Dearest sister of Pamela (Gregory), Cynthia (David), Kenneth, Christopher (Debbie), Amy (Jim), Larry (Lori), and Elaine (Steve).

Linda is also survived by her father-in-law, Paul and many nieces, nephews, and cousins.

Linda is preceded in death by her parents, Kenneth and Dolores Wrobel and her mother-in-law, Ermajean.

Linda loved to travel and had an adventurous spirit. She had even made it to London just a few weeks ago and had plans to go to Africa this summer. She was always on the go and enjoyed visiting her family that was spread around the country - in LA, Atlanta, and Boston. She made sure to live life to the fullest - never waiting for "one day" to do the things she wanted to do.

She also loved to bake. She made incredible cakes and was the designated cake baker of the family for many years - always baking for birthdays, graduations, First Communion, etc. With such a large family she was kept busy and able to hone her craft.

Linda was also a teacher for many years - including teaching ESL and tutoring students studying for citizenship. She also was very involved in her community - from being a Girl Scout troop leader for her daughter, to coordinating weddings at church, and being involved in her neighborhood's homeowners association.

Linda was also incredibly excited to become a grandmother to her granddaughter Penny, a year and a half ago. She went by Nana and couldn't wait for her next visit with her family.

Linda will be sorely missed by her adoring family and many dear friends.

“ I wish to thank you Emily for sharing your loving memories of Linda, your Mom. You brought a new light to the memories I have of her: after my husband died your Mom and Nancy invited me to lunch to celebrate my birthday which would have be silent and alone without them. For many Christmas seasons Linda brought me a decorated box of Polish "Angel Wings" once she knew I was Polish too. No matter how brief or long our meetings were, she always had a smile, a kind word. I can only ask God's blessings to your family for sharing Linda, who blessed me. Thank you Linda, dear kind soul.
