“ Human death seems unnatural. No matter what age we are, we usually do not want to die. The loss of a loved one shakes people up terribly. Contrary to what many believe, God did not purpose for humans to die. He created the first human, Adam, with the prospect of living forever on earth. The only time that God mentioned death was when he told Adam of the punishment for disobedience. He restricted Adam from eating the fruit of a certain tree and then warned him that if he ate from it, he would “positively die.” (Genesis 2:17) If Adam and Eve had remained obedient, they and all their descendants who were loyal to God would have lived forever on earth. Soon, Jehovah will bring back to life the majority of those who have died. Speaking of that time, the apostle Paul said: “There is going to be a resurrection of both the righteous and the unrighteous.”—Acts 24:15.

“ *Matt,*

I was deeply saddened to hear of the loss of your Mom. She was a VERY WONDERFUL person and the World was a better place because of her. While I had not seen her for a few years, I thought about her often and the FUN we had at the Car Cruises and Car Shows. She was a Member of the Dudes and Dudettes Car Club and loved to drive that NOVA. Due to my job, I will be unable to visit at the Funereal Home so please accept my sincere condolences. She will forever be in my prayers as will you.

*Sincerely,
Ron Oleksiak

“ *My condolences and sympathy to the Platkowski family on their loss. I remember Linda coming to our USMA shows. She sure enjoyed driving her car and didn't let the effects of polio stop her! May she rest in peace.*
