“ *I really was looking forward to meeting Louie but the pandemic happened. I too love Elvis and so many things that he enjoyed. I deeply regret not getting a chance to meet him. Shannon wanted to hook me up with him but now I lost my chance at the possibility of finding love. My heart felt prays go out to him and his beautiful children. I can see how much he loves his family and life. Maybe we can meet up in heaven. Sorry Louie, I blame this on corona why we didn't get to meet yet. God bless you*
