Lois Madeline Spranger (nee Becker), Age 85 went to Glory on May 23, 2018. Lois was the beloved wife of the late George C. Spranger for 61 years. Mother of the late Beth C. Lois had many hobbies and favorite past times, one of them was crocheting. She crocheted many baby afghans and numerous blankets for family and friends. She loved to garden whether it was in the vegetable garden where she would spend every evening in the summer tending to her vegetables and tomatoes. It was those vegetables and tomatoes she loved to eat freshly picked. She also had a love for the beauty of God's flowers, her favorite being roses, peonies, lilac's and lily of the valley. She would tend to her flowers and watch over them, they were her pride and joy.

Lois loved to bake and did so all the time. Her favorite Christmas cookie was Aunt Marth's Pillion Cookies and in the fall she would always make numerous Apple Pie's, which are Paul's favorite. Deb's favorite baked item was Cherry Strudel and Beth's favorite was German Chocolate cake.

Lois and George enjoyed the memories that they made at their cottage in Caseville where they spent every weekend from Memorial day to Labor Day with cherished friends from the neighborhood in Detroit.

In lieu of flowers a memorial donation can be made to Hope Lutheran Church.

“ *Paul, Deb and Family,*

Please accept my family's deepest condolences for your family's loss. I so fondly remember as a child your parents coming over to our house with generous portions of fresh vegetables from their garden and visiting their home so I could play with their adorable dogs at the time, which I partially attribute to my current volunteer work at a local animal shelter. Lois was outgoing, not afraid to speak her mind, and cared about our Oakview neighborhood; I admired these characteristics.

May the memories of your Mother always remain as a bright lite in your hearts.
