“ *Loretta, you were always so kind to me and my family. When I had Jenae' at a young age, you supported me and always made me feel comfortable and I truly appreciate that. It did not matter how long it had been between visits, it was always like I had just seen you. I'll never forget my best memory of you. Kitty and I took you and my mom to a concert for your 50th birthdays. You two had a great time and Kitty and I felt so good that we did something with our moms together. Rest in peace and I'll never forget you. Love, Robyn*
