“ *Loretta was in our Thursday morning Bible study group. She was a joy to be around. She always had a smile and a positive attitude even when she wasn't feeling well. My Mom and I so enjoyed talking with her after class. She brightened our day. Our thoughts and prayers are with her family. Chris Vertrees and Carol Johnson*

“ *Loretta was such a sweet person. She always had a positive attitude. When she was going through rough times and we asked how she was doing she was always upbeat . Her saying was (" This to shall pass") . She would send cards with lovely notes in them. (This I will miss) Loretta married George September 26th 1969 and we loved her from the start that just 4 weeks later we asked her to be Godmother to our JoAnn . She 's now with her Huggy Bear (George) Rest in peace sweet soul you are no longer in pain . You'll be in our hearts forever.*

“ Loretta and I became best friends in 1986 and continued our friendship throughout the years. She was like a sister to me. Loretta had the gift of being able to always look at the bright side of things and to share that with others. I will miss her positive take on life and her special ability to bring light where there had been darkness. I will miss her deeply, but I will always carry my memories of her with me. I am thankful that Loretta was in my life.

Most of all, I remember that beautiful Loretta smile, and gestures that touched everyone lucky enough to have known her. Loretta had a caring heart that expressed itself in everything she said and did for me during the 34 years I was graced to have known her. She also taught me that some people are in our hearts forever. I will miss Loretta very much.

*Love,
Clorinda*
