“ *Oh my friend...*

I miss you and think of you alot. We had some awesome times, didn't we? As the years have rolled by so many memories of us together have made my heart smile. I loved you so much. My Dad called you his other daughter. God seemed to send you to me when I needed you the most. What a blessing your friendship was! Years and miles somehow separated us. As with all of those that move on to Heaven, it seemed we'd have more time. I regret the things I didn't get to share with you. You found humor in so much! Your friendship is one of my most treasured gifts in this life. You girlfriend, were awesome! It hurts so much but, I smile when I remember. Nobody had more fun than us! I love you Lori. One day I'll hug you again. All the sadness gone. I'll see you smile and we will laugh and enjoy forever.

“ *Lori was my neighbor. She was a very caring and funny lady and made me laugh. She would call me to warn me that Mormons entered our apartment building knocking on doors. We would have a drink now and then and discuss life. Unfortunately one night a friend of mine walked into her apartment butt naked. Needless to say I was so embarrassed. Lori still wanted to be my friend after that. She will be truly missed. Prayers go out to her family*

“ *Have great memories of working with Lori at St. John Macomb ER. She was a very compassionate nurse who balanced work and parenting. Her son Eric was her pride and joy. A wonderful mom and RN who put others before her own needs. She will be missed* 🤍🙏

I'm so sorry and shocked to hear about Lori. She was a childhood friend of mine. I lived next door to her cousins on Thomas Drive. I remember going to her father's ice cream store all the time. Sending my sincere condolences to the entire Quick family. God Bless you all during this very difficult time. Sending prayers.

I am so sorry for your loss. I remember Lori as a sweet, sensitive young girl. Along with her sisters and parents, they always made me so welcome to their family....especially if I was bringing a "Dairy Royal" treat with me. Prayers and best wishes to the entire family.
