“ *Lori, Lori, Lori, what happened? I'll never know what happened, I was always here for you, I wanted to help you, but you never came back 2011 was our talk. You are now in the arms of our Heavenly Father, no more tears, no more pain or drama.. you are free! We shared many good times I will never forget! Life has changed for me, I have change for life, I wish you would have followed... I am Clean, I hope to never fall, I am human, it happens, I keep company in people who give me no tempation! I have a wonderful husband, he is my Rock, Sobriety gave me a beautiful life, one that many only dream of, if you had only called.. I send my deepest condolences to your 3 Handsome Young Son's, Colton, Austin and Kullen, I Pray you and Tommy showed them roads to travel that will only bring the best life has to offer, I Pray They've Learned From Mistake They Unfortunately Endured. . Being Clean is Cool!*
